Produced by Carla Howell and Les Fish

Recording engineer: Matt Hayes

Mastering engineer: Eric Kilburn

Studio: Wellspring Sound, Acton, MA

Second recording engineer: Ben Mellott

Lyric

Baby I know that we're here
We're gonna make it
You know that I'm clear
Baby I see
Do you too?
I found my home
And I found it with you

Chorus

I can't wait for the next moment of today
To see how you look, to hear what you say
When we kiss, or even when we fight
I have this feeling everything is alright

Chorus

Baby I know that we're here
We're gonna make it
You know that I'm clear
Baby I see
Do you too?
I found my home
And I found it with you

Chorus

Chorus

We're gonna fly and at the same time
We're gonna hold ground, hold ground, hold ground
We're gonna fly and at the same time
We're gonna hold ground, hold ground, hold ground
